## Customer Information – Deepening works on NordZee Terminal / Antwerp

Dear Customer

The Antwerp Port Authorities will start deepening works on NoordZee Terminal.

With reference to the information already reported directly by PSA Antwerp, we herewith would like to inform you that all Team Lines vessels will call Q869 instead of Q913 as from the weekend of 12. / 13. November.

The works under control of APA will take about 4 months and for the moment a rest period of 2 months has been included between the different phases in order for PSA Antwerp to rebuild the pavement of the front quay.

In case of further questions please do not hesitate to contact your local Team Lines Office.
