

## Customer Information – Closure of Granudden Terminal in Gävle

Please be kindly informed that the Port of Gävle has taken the decision to cease container operations at Granudden terminal in Gävle. The 2007 newly established container handling facilities were dedicated to the paper manufacturer Korsnäs AB.

As the volumes were not developing as expected, Gävle Hamn AB decided to cease the provision of container handling equipment.

We hope for your kind understanding that Team Lines will - in line with this decision - stop calling Granudden terminal by the end of February (last call until further notice: February 26, 2010).

Thanks for your consideration and please feel free to contact us in case of further questions.
