

News Release – Introduction of New Denmark Service

Team Lines today already offers departures from Hamburg/Bremerhaven to Copenhagen. Due to customer demand, we decided to expand our port coverage and also added Århus to our service network beginning of this week.

Both Danish ports will be connected to the German hub ports on a weekly basis. Our vessels are serving CMP terminal in Copenhagen and furthermore for our customer's convenience APMT as well as Cargo Service terminal in Århus.

For further information about services and rotations please kindly consult our operating schedule on www.teamlines.de.
