

Customer Information – Strike Announcement for Spanish Ports

Please kindly note that the Spanish stevedoring unions UGT, CCCO and Coordinadora have announced strike actions for all Spanish ports.

Major political parties have presented a legislative proposal to the currently valid law which is affecting the legitimate interest of stevedores in certain ways.

Therefore the worker's unions pre-announced strikes for all Spanish ports for the following dates:

11. May 2010 08:00 a.m. – 15. May 2010 08:00 a.m.

18. May 2010 08:00 a.m. – 22. May 2010 08:00 a.m.

as from 25. May 2010 08:00 a.m. for an indefinite period of time.

Depending on how the situation develops and if negotiations are successful in the meantime, it needs to be awaited if the announced strikes will be enforced after all.

Anyhow, we would like to draw your attention to the fact that our services calling Spain might be affected by the strike and therefore delays have to be anticipated.

Please rest assured that we will keep you informed about the latest developments and possible impacts on our schedules.

In case of further questions please do not hesitate to contact:
